THE INTERNAL RATE OF RETURN  
METHOD (I.R.R.) IN ESTIMATING RETURNS  
FROM PROPERTY INVESTMENTS

Oleh:

Prof. Madya Haji Mohd. Harith bin Abd. Hamid  
Panel Penilaian dan Pelaburan Harta Tanah  
Fakulti Kejuruteraan dan Sains Geoinformasi  
Universiti Teknologi Malaysia  
Skudai, Johor.

## LIST OF CONTENTS

## PAGE

1.0	Introduction	1
2.0	The Internal Rate of Return (IRR) Method	2
2.1	Definition of IRR	2
2.2	Estimating the IRR	3
2.2.1	Estimating IRR by simple algebra	3
2.2.2	Estimating IRR by linear interpolation	4
2.3	The concept of the IRR method	7
2.4	The IRR decision rule in appraising investment	8
3.0	Evaluating mutually exclusive investments	9
3.1	Conflict in decision rules when deciding between mutually exclusive investment alternatives.	10
3.2	The incremental yield analysis	12
3.3	The modified IRR decision rule in the evaluation of mutually exclusive investments	14
4.0	The nature of project cashflow	16
4.1	The conventional project cashflow	16
4.2	Non conventional project cashflow	18
4.2.1	Examples of non conventional project cashflows in real estate	19
5.0	The probable existence of multiple IRR and its possible solution	20
5.1	The identification of the probable existence of multiple IRR	20
5.2	The extended yield method in overcoming the problem of multiple positive IRR	21
5.3	The concept of the extended yield method	23
6.0	Conclusion	25
